Department of Transportation Federal Aviation Administration
Supplemental Type Certificate
Number SR01204SE

This certificate, issued to **Aerometals**
 3920 Sandstone Drive
 El Dorado Hills, CA 95762

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product—Type Certificate Number:	H3WE
Make:	MD Helicopters, Inc.
Model:	369HE/HM/HS, 369D/E/FF, and 500N

Description of the Type Design Change: Fabrication of AMC AMC369H92827 pin, clevis-rotor brake in accordance with AMC Master Drawing List No. MDL-AMC-014, Revision B, dated February 26, 2003, or later Federal Aviation Administration (FAA) approved revision. The rotor brake clevis pin must be installed in accordance with AMC Installation Instructions MI-02003, Revision A, dated February 14, 2003, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft models listed above only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that rotorcraft. A copy of this Certificate must be maintained as part of the permanent record of the modified rotorcraft. This is a direct replacement part, and the FAA has determined that no Instructions for Continued Airworthiness are required.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 7, 2003	Date reissued: March 1, 2005
Date of issuance: April 10, 2003	Date amended:

By direction of the Administrator
